

SURECUT COLD CUTTERS

SUREcut cold-cutting solutions available for immediate rental via our Aquaterra Express service.

PRODUCT APPLICATIONS

- Air driven Conductor and Casing cutters (suitable for 4" - 36" pipe OD cuts)
- Straight cuts or bevel cuts of 30, 45 and 60 degree angles
- Onshore and offshore applications
- Decommissioning and wellhead installation

PRODUCT BENEFITS

- Field proven technology - suitable for a variety of material grades and thicknesses
- Reduced capex and opex - ensures safe and accurate cuts, that are right the first time
- Improved safety - "hands free" operation due to clutch mechanism
- Fast lead time - as part of our Aquaterra Express Rental tools and equipment service
